'TIS THE SEASON

At this Holiday Season, our thoughts turn gratefully to those that have made our progress possible. It is in this spirit that we sincerely say THANK YOU and best wishes for the holidays and a happy new year.

Several members of Wallace Architects attended the AIA Mid-Missouri Annual Design Awards October 18, 2019, to help celebrate Local and National excellence in design from Missouri based Architectural firms.

Megan Wahlquist, Zachary Ury and Holly Brinker each received a Citation of Merit Award for their entries in the Architectural Drawing category.

Vincin Foster and Mike Kleffner accepted the Merit Award for the Conrad Hilton Hotel Historic Rehabilitation, Plainview, TX, in the +\$1 million Built Project category.

As a Firm, the employees of Wallace Architects take great pride in our work and it is welcomed when a project or an individual is recognized for the work produced. Congratulations to each of you on your awards!
